

## Fourth research report to the scientific headquarters

### Carnivorous and Herbivorous Dinosaurs

**Dinosaur-Researcher – Name:**

---

---

You have already read the chapter Carnivorous and Herbivorous Dinosaurs? Now it is your term to show what you have learned!

Dinosaurs can be divided in **carnivorous** and **herbivorous** dinosaurs.

Decide if the following dinosaurs are carnivorous or herbivorous ones:

**Dinosaurs with hollow bones** \_\_\_\_\_

**Horn dinosaurs** \_\_\_\_\_

**Dinosaurs with stings** \_\_\_\_\_

**Bird-feet dinosaurs** \_\_\_\_\_

**Birdlike dinosaurs** \_\_\_\_\_

**Sickle-clawed dinosaurs** \_\_\_\_\_

**Armored dinosaurs** \_\_\_\_\_

**Predatory dinosaurs** \_\_\_\_\_
