

## Sixth research report to the scientific headquarters

### The Nursery Of The Dinosaurs

**Dinosaur-Researcher – Name:**

---

You have already read the chapter The Nursery Of The Dinosaurs?  
Now it is your term to show what you have learned!

**Mark the correct answers!**

Like elephants dinosaurs gave birth to living hatchlings

Like all reptiles and modern-day birds dinosaurs laid eggs

Like turtles dinosaurs dug their eggs in the sand

Dinosaurs built nests like some of our nowadays birds do

**Answer the following questions!**

**Why did some dinosaurs pack plants on their nest?**

---

---

---

---

**How did the dinosaurs look after their hatchlings?**

Describe the example of the Maiasaurus

---

---

---

---

Describe the example of the Orodromeus

---

---

---

---
