## **The Extinction Of The Dinosaurs**

**Dinosaur-Researcher – Name:**

---

You have already read the chapter The Extinction Of The Dinosaurs? So you know that there are two speculations, how it came to the distinction of the dinosaurs!

Now it is your term! Try to find another theory by using the school libraries' books or newspaper articles or by visiting the public library! Describe this theory in your own words.

You can also search the Internet! Use for example the following web page.
